

## REV. DR. HUNTER DIED SUDDENLY

### Venerable Methodist Divine Passes Away in Toronto From Paralytic Stroke

From the pulpit of McDougall

Methodist Church, the sad announce-  
ment was made yesterday morning  
of the sudden death in Toronto, on  
Saturday, April 1st, of W. J. Hunter  
D.D., father-in-law of the late Rev.

Since leaving Edmonton, early in July of last year, Dr. Hunter, although in his 77th year, had been preaching almost every Sunday.

**Was to Supply Metropolitan.**  
Since leaving Edmonton, early in July of last year, Dr. Hunter, although in his 77th year, had been preaching almost every Sunday

Latterly he had been preaching in Hamilton and other points in Ontario, and had made an engagement to supply the pulpit of the Met.

pelitan Methodist Church, the largest of that denomination in Toronto during the coming summer. Up till the time of his death he was acutely, though frail, in the best of health. On Saturday morning, at his home in Toronto, he was seized by a paralytic stroke and passed away in a few hours, dying, as he had often in the course of his ministry in Edmonton expressed the hope he would, "in harness." The funeral will be held on Tuesday, March 10.

E. E. Marshall, Dr. Hunter's daughter, was in Toronto at the time of her father's death. Dr. Hunter survived by his wife. The golden anniversary of their wedding fell on July 8th of last year, at the time when they were en route to Toronto from Edmonton. Dr. Hunter was an uncle by marriage of the Rev. J. E. Hughson, the present pastor of McDougall Methodist Church. Mrs. Hughson is his daughter.

**Outstanding Figure of Methodism**  
Dr. Hunter was one of the outstanding figures of the Methodist Church in Canada. He began to preach 66 years ago, having as his first charge the Ontario towns of Newmarket and Aurora. His second charge was at Bradford, Ontario, and his third at Dundas. Dr. Hunter was ordained and married Aug.

one years ago. Burlington was his first appointment. Clinton, London, Toronto West, and Hamilton Centenary were his next charges, in order.

He next assumed the pastorate of the leading Methodist church in Ottawa, and during his pastorate the great Dominion church there was built. From Ottawa, Dr. Hunter went to Toronto, taking charge of the Central Methodist Church. His next charge was Wesley Church, Hamilton. From Hamilton, he went

Dr. Hunter was next appointed in 1891 to St. James' Square Church, Montreal, the largest and finest Methodist Church in Canada, and said to be the largest and finest of its denomination in the world. From St. James' he went to Dominion

square Chûron, Montreal, and in the crisis of this big church with its debt became the financial secretary for two years, until he had raised the debt. From Dominion Square, Dr. Hunter next went to Coatlook, in the eastern townships, having asked to be relieved of a heavy charge. Dr. Hunter was then superannuated, eleven years ago, in 1940. He had since made his home in Toronto. The greater part of his time since

It was with this object in view he came to Edmonton in the early part of August, 1902, as assistant to his son-in-law, the late Rev. Edson E. Marshall. While nominally assistant, Dr. Hunter was, in reality, the full pastor of the McDougall Church. This charge was destined to be the last of any length in the life of this

great Dominion church there was built. From Ottawa, Dr. Hunter went to Toronto, taking charge of the Central Methodist Church. His next charge was Wesley Church,

**Kansas Italian Quarter Halted.**  
Kansas City, Mo., April 2.—Kansas

City's little Italy was raided today. Fifty-eight men were arrested, scores of weapons and much ammunition captured and many houses and places of business in the vicinity of the Holy Rosary church were searched. The raid was made by fifty-five policemen, headed by Chief Griffin. It was the outcome of the murder last Tuesday of Joseph Raimo, an Italian policeman, who was shot from ambush.

Duluth, April 2.—Fire of unknown origin did damage to the amount of \$12,000 to the building at Eveleth, which housed the Othello theatre, the Eveleth Star and Hoome Electric and Heating company early this morning.

## GAS EXPLOSION WRECKS A HOUSE

THE MOST WEIRD ACCIDENT  
IN THE ANNALS OF THE  
MINNEAPOLIS POLICE.

Minneapolis, April 2.—The striking of a match to light the way in a hall, in a house of the city of Minneapolis, 25 years old, who had taken his own life a few minutes before, caused a terrific explosion from gas shortly before midnight last night in the residence at 2207 Sixth street south, that resulted in terrible havoc to four persons, one a woman, and shattered every pane of glass in the house, tore down the front of the building and blew pictures and dishes to the floor.

The accident is one of the most weird in the history of Minneapolis police annals. Pinned in a narrow hallway, filled with smoking and scorching fumes, a crowd of men and women screamed and fought and fell in the man's body that was blown from the bathroom where his life had been taken.

**Police Notified.**  
The south side police station was notified shortly before 11 o'clock that some one had taken his life in a bathroom at 2207 Sixth street south. Sergeant Knudson was sent to the place. He found a man, James E. Knudson, preparing to enter the house. Mr. and Mrs. Joseph Knudson, a sister of the deceased and some neighbors were waiting to follow the officers. The body was in the bath room at the rear of the hall on the second floor.

The policeman had their electric flashlight beam on the man's body. As they reached the bathroom, the man struck a match. He thought no one will admit that it. The explosion followed instantly and the man was blown from the bathroom. The terrified yell brought the neighbors to the door.

**People Were Summed.**  
Tossed about by the terrific force the unfortunate people lost their sense of direction and stumbled into the bathroom, dashed against doors and fell over the body on the floor. The confusion of the moment made the situation from what might have been a case of insanity.

The wounded are Joseph Stone, proprietor of the White Life Laundry, burned about the face, arms and breast; Mrs. Stone, burned about the face and arms; Patricia Knudson, burned about the hands and face; Margaret Knudson, burned about the face and arms.

The monthly meeting of the Omay branch of the United Farmers of Alberta was held in the schoolhouse at Omay, on the 25th March. The meeting commenced at 8 p.m. and a strong interest was shown. It was arranged that on Thursday next, at 8 p.m., in the Methodist church, a meeting will be held for the purpose of organizing a branch of the C.F.A. in the First Ridge district. As many members of the Omay branch are going to the meeting, there was quite a discussion on the reciprocity agreement, but when it was put to a vote it was found that favoring was unanimously in favor of it.

The next meeting of the Omay branch will be held at the schoolhouse at Omay, on the 14th of April, at 8 p.m. It is the intention of the committee to put a great deal of work on the road during the coming summer. The road is very important, because it gives the people of the north end of the local improvement district a good road to the C.F.A. and gives the people of the south end of the local improvement district a good road to the C.N.R. When this road is finished the Omay branch will be in a position to connect the C.N.R. and the Carleton place on the G.T.P. It will only be 11 miles apart. It is the intention of the committee, also, to put a good deal of work on the township line, between township 54, range 2, W. 5, and township 55, range 2, W. 5, meridian.

Omay, March 21.

John A. McPherson, M.P.P. for the stony plain district, was in town on Wednesday.

Robert Keane left on Monday for Edmonton to prepare for the summer's work on the C.N.R. grade, as he has a contract under James O'Connor. Miller & Waters shipped a carload of potatoes sent by C.N.R. on Thursday, and on the same day Irwin & Duff shipped a carload of cattle and hogs to Calgary, and Charles Hies shipped a carload of hogs to Edmonton.

Daniel Drex held a very successful auction sale at Ludwig Weber's place on Wednesday. Everything brought a good price. Cows went for from \$40 to \$75.00. The proceeds of the sale amounted to \$1,500. Mrs. D. H. Tweed and H. J. Barker went to Edmonton on Thursday to C.N.R. work, and Mr. Barker returned on the same day from Edmonton.

At a well attended meeting of the Liberals of Stony Plain town and district, on Wednesday evening, a resolution was passed endorsing the reciprocity agreement. Among the speakers were J. A. McPherson, M.P.P. for the district, Jack Miller, mayor of Stony Plain, and Donald McKinley, senior.

Young Yurke, the local landowner and restaurateur, arrived on Thursday morning from his home in England after a year's sojourn in the Celestial Kingdom.

**Stony Plain, March 21.**

**Three Brothers Arrived.**  
Basson, Que., March 21.—James A. Fred and Fred Dupuis, of Bangor, Vermont, waiting on a charge of carrying the death of James Moffat, at that time, were arrested here today. They will waive extradition and are to be brought tonight enroute to Vermont.

## I Am No Hog; I Don't Want The Earth!

I am going to slice it up and pass it around, and you have all heard that saying that charity begins at home; so I want everybody in Edmonton to get a slice of this before it is all gone. Of course, there is six foot of earth coming to you all in the end, but that is strictly for dead ones. Now, why not be a real live one and get a slice of this while you live, so that it can't be said that you lived your four score and ten without even owning a foot of earth that you could call your own.

## SUMMERLAND PARK

Is the ideal spot for investment at the present time, and just think for a moment if a man will just smoke one less cigar a day it will purchase one of these lots; and, Ladies, if you will just save 15c out of your pin money each day you can own one of these lots. And our five-acre Blocks are the best acreage that is anywhere near Edmonton for market gardens or a poultry yard; and just think of the fortunes that have been made in the poultry business, and the great opportunity that this growing market affords. There is carload after carload of dressed poultry and eggs shipped into Edmonton every year. Doesn't that seem like a shame, when there is such wonderful opportunities going to waste; and at the same time the property is increasing in value all the time. I am confident that there will not be an acre in Summerland Park that can be bought for less than double the price in two years, and you have nearly that long to pay for it.

## A Few Reasons Why You Should Buy in Summerland Park

Edmonton has just begun to grow. There is no doubt in anybody's mind here now but what this city will have 100,000 inhabitants in five years from now, and you know that means a corresponding increase in value in real estate.

The prices are so low now that everybody can get a slice of this while I am passing it around. The location is such an ideal one that it can't be duplicated. It is all high and dry and perfectly clean; no scrub. It is close enough to the G. T. P. Shops, so you can work there and live on your own property, and raise poultry and garden truck to sell to your less fortunate neighbors.

My agreement has the sickness and death clause in it, so you need not fear losing in case of sickness or death.

People who bought acreage and lots five years ago farther away from the actual city than this are today selling for five times the purchase price, and buying in Summerland Park and expect to do the same thing with this.

Don't stand back and see the other fellow make money so easy, and then point him out for a lucky man. He is no more lucky than you, he only takes advantage of the opportunity that is offered.

## 1840 WAS REALIZED.

Playing before a crowded house both at the matinee and evening performances, "Alice in Wonderland" closed Saturday the most successful run that any amateur performance has ever experienced in this city. The Empire theatre was not able to hold the number of people wishing to see the play and only unavailable circumstances prevented a further extension of the piece.

On Saturday night the pantomime without a hitch and the repeated success testified to the enthusiasm and appreciation of the audience, the most liked passage being the grand finale in the first act in which Miss Penelope Davies figured so prominently in her song, "It's Great to be a Soldier Man," which she sang splendidly.

The gross returns amounted to \$1340 out of which about \$750 or \$800 will go to the funds of the Hospital Aid Society.

## REAL ESTATE BULLETIN

The principal enquiry today in the business sections has been for Fraser Avenue, with some Namayo and Jasper Avenue.

In residential property, the Great Estate and H.E. Reserve in West End and North of Tracks has been in good request, with considerable attention in the East End.

In houses, there is practically no change to note, the demand in the West End being fairly constant.

We look for considerable house movement during this month and would advise intending purchasers to make their selections while our lists are full.

### ALBERTA PARK

This suburb will shortly be sold out if demand holds as strong as during the past week.
